This magnificent penthouse in Escaldes offers a unique opportunity to live in an elegant, recently renovated home with stunning views of the Andorra valley and Escaldes. With a surface area of 249 m², this property features a careful and practical layout, including a 20 m² southwest-facing terrace that allows you to enjoy sunlight all day. Located on the lower floor, renovated a few years ago, the duplex has a spacious living-dining room with parquet flooring and a wood fireplace, creating a warm and cozy atmosphere. This floor also includes a study area within the living room, a fully equipped kitchen with a daily dining area, and a large en-suite bedroom. The upper area, recently renovated, hosts the remaining bedrooms. Originally, the duplex had six bedrooms and two bathrooms, but it now offers three double bedrooms and a master suite with an open bathroom and bathtub. The renovation preserved the two separate bathrooms, which remain comfortable and functional. All bedrooms are spacious and well-designed. The duplex is equipped with LED lighting systems and air conditioning in all rooms, ensuring comfort throughout the year. As additional features, it includes two parking spaces, one of which is in a box, and an extra parking spot inside the same garage, providing high convenience for daily living. Ideal for those seeking a home with great views, high-quality finishes, and a versatile layout in one of Escaldes' most attractive areas.
