New-build apartment for sale in Andermatt, Switzerland, characteristic for being in the heart of the eight Swiss Alpine passes, which offers a wide variety of options for excursions and enjoying nature. This is a newly built property starting at 333 sqm with optimally oriented terraces so that you can fully enjoy the natural light and inspiring views of the exclusive Gemsstock station. This apartment consists of a spacious living room with a spectacular central fireplace and a kitchen equipped with the latest technologies, perfectly integrated into the rustic yet modern style of the property. The night area is divided into spacious suite-style rooms with bathroom and dressing room. This exclusive property preserves the architectural style of the classic winter village, thus achieving luxury apartments with the best quality finishes, without losing the discretion and privacy of the original character of Andermatt.
