Exclusive chalet for sale in the charming village of Ordino, the first destination in the Principality of Andorra designated as a Biosphere Reserve. This sensational property is part of a new development that stands out for its privileged location as well as its luxurious design, conceived by the prestigious architectural firm Rafael De la-Hoz Arquitectes. It is a newly built property of approximately 669 m<sup>2</sup>, which includes multiple terraces optimally oriented to provide maximum exposure to natural light while enjoying the magnificent views of Ordino and its valleys. The ground floor is designed for relaxation, featuring a spa area and gym, as well as a cinema room. The first floor continues the relaxation area, with two en-suite bedrooms with full bathrooms, and the property's master suite, complete with a dressing room and full bathroom. All bedrooms have access to the terrace. The second floor features a large kitchen with a central island, equipped with the latest technologies and open to a cozy dining area with access to the terrace. This area also includes a living room and a library, both of which also lead to the terrace, along with a guest restroom and a laundry area.
